A *multiracial and multicultural* coalition of anti-war, anti-hate and anti-Zionism dissidents, determinately compromise with defending the fundamental civil and human rights of Palestinians. Therefore we decisively and tenaciously stand for peace, justice, freedom, equality and dignity for all, regardless of gender, religion, ethnicity or sexual orientation. As human beings we recognize and cherish our common humanity.

Israel has a long history of desecrating the horrible tragedy of the Holocaust in order to suppress legitimate criticism of its own crimes. The apartheid state of Israel has been involved in many war crimes and violated numerous international laws from killing innocent civilians, to building illegal settlements on Palestinian land. Let's expose the truth to the world!

Ground Rules:

- **Make sure to adhere to the rules of reddit, also familiarize yourself with Reddiquette.** This will help you avoid any potential mishaps. Don't forget that we can disagree without being disagreeable.
- **Be civil.** Civil discussion is welcome and encouraged. However, overly confrontational and inflammatory rhetoric is not. Particularly disrespectful or hateful discriminatory submissions or comments which dehumanize, denigrate, ridicule, defame or smear another redditor, person or group of people. This kind of content will be removed and the moderators reserve the right to take action against posters as they see fit.
- **Submission titles cannot be editorialized.** Make sure that the submitted content is relevant to the subreddit specific niche; Israel's indiscriminate use of force, shameless human rights violations, blatant disregard of international law, meddling in American and European politics, etc. Submissions that do not follow this simple rule will be removed.
- **Bans, warnings and ban appeals are entirely at the discretion of the moderators.** The moderators will always operate in good faith but retain full discretion and autonomy in banning any redditor for any duration of time, with or without warning.
- **Do not submit any meme images, GIFs or image macros except as comments.** Any such posts will be removed.
